Re: McHale v. Silicon Valley Law Group  
Action No.: CV 10-04864 JCS

Dear Judge Spero:

We write pursuant to our letter of September 27, 2013 (Doc. 272). On October 4, 2013, the parties participated in an initial post trial confidential conference to determine if this dispute can be resolved without further litigation. Both parties concluded that sufficient progress was made during this conference to enable both sides to proceed further to continue efforts to resolve the case. However, both sides need further time to assess the positions of the parties and confer with their clients. Both sides therefore request the Court to continue the date for filing a scheduling for the post-trial motions to October 30, 2013 while efforts continue to resolve this dispute without further litigation.

Dated: 10/9/13

Respectfully submitted,

LERCH STURMER LLP
